

Marsden School App Karori Downloading instructions

Downloading this App should only take a few minutes.

1. Go to the App store/ Google Play Store on your phone.

2. Find the App:

- On Apple phones search for: **Samuel Marsden Collegiate Karori** ... make sure you choose the KARORI app, or repeat for Whitby if you want both apps.

- On Android phones search for: **Marsden School** ... you will be able to choose KARORI or WHITBY.

3. Install.

4. Open.

5. A message will come up along the lines of 'Karori would like to send you notifications', press OK or ACCEPT. This will allow the school to send you important messages. **Note:** the app will not store your number or any other personal information.

6. A message will come up asking you to choose your **Notice Groups**. Please note that some of these groups (in bold: Cultural, Primary, Sports and Year Groups 7 -13) have drop downs. Choose the relevant notification groups by touching the button of the group you'd like to get notifications from (do not try sliding the button as that won't work).

7. Go to the Marsden School Karori App home page once you have chosen your groups (you can change your notification groups any time from the menu on the App home page)... you are good to go.

If you have any queries please contact Inge Doig on inge.doig@marsden.school.nz or phone 476 8792 Ext 836.
